IMPORTANT NOTICE TO POLICYHOLDERS
TERRORISM RISK INSURANCE ACT

This Important Notice is being provided with your policy to further satisfy the disclosure requirements of the Terrorism Risk Insurance Act.

At the time you received the written offer for this policy, we provided you with an Important Notice to Policyholders indicating that the insurance provided in your policy for losses caused by certain acts of terrorism (as defined in the Terrorism Risk Insurance Act) would be partially reimbursed by the United States of America, pursuant to the formula set forth in the Terrorism Risk Insurance Act. In addition, as required by the Terrorism Risk Insurance Act, we:

- indicated that we would make available insurance for such losses in the same manner as we provide insurance for other types of losses;
- specified the premium we would charge, if any, for providing such insurance; and
- except to the extent prohibited by law, gave you the opportunity to reject such insurance and have a terrorism exclusion, sublimit or other limitation included in your policy.

This Important Notice refers back to that Important Notice and provides information about your decision and the manner in which your policy has been subsequently modified.

If:

- You rejected terrorism insurance under the Terrorism Risk Insurance Act, your policy includes the appropriate amendatory endorsement(s).
- You did not reject terrorism insurance under the Terrorism Risk Insurance Act, the premium charged for your policy, including that portion applicable to terrorism insurance under the Terrorism Risk Insurance Act, is shown in your policy. To the extent your policy includes a limitation on terrorism insurance, it has been modified so that such limitation does not apply to terrorism insurance under the Terrorism Risk Insurance Act.

Please carefully review your policy and the Important Notice previously provided to you for further details. Please remember that only the terms of your policy establish the scope of your insurance protection.

Please note that if your policy:

- provides commercial property insurance in a jurisdiction that has a statutory standard fire policy, the premium we charge for terrorism insurance under the Terrorism Risk Insurance Act, includes an amount attributable to the insurance provided pursuant to that standard fire policy. Rejection of such statutory insurance is legally prohibited.
- is a workers compensation policy, rejection of insurance for terrorism is legally prohibited.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a Program Year (January 1 through December 31), the Treasury shall not make any payment for any portion of the amount of such losses that exceeds $100 billion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed $100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

A new section titled Terrorism Provisions is added to this policy.

Any terrorism exclusion or sublimit that is part of this policy, either by endorsement or contained within the contract, is amended to the effect that such exclusion or sublimit does not apply to:

- a certified act of terrorism; or
- an act which meets the criteria set forth in paragraph B. of the definition of the certified act of terrorism when such act results in aggregate losses of $5 million or less.

The terms and limitations of any terrorism exclusion or sublimit, or the inapplicability or omission of a terrorism exclusion or sublimit, do not serve to create coverage for any loss which would otherwise be excluded under this policy, such as losses excluded by the Nuclear Hazard exclusion or the Free Of Capture And Seizure (F.C. & S.) exclusion.

If:

- aggregate insured losses attributable to one or more certified acts of terrorism under the terrorism law exceed $100 billion in a calendar year; and
- we have met our insurer deductible under the terrorism law,

we will not be liable for the payment of any portion of the amount of such losses that exceeds $100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.
A new section titled Terrorism Definitions is added.
